**Shubhani Chokra**

★★★★★

"We toured around with Indrika for 3 days around Kandy, Nuwara Eliya, Sigiriya rock and it was a great experience. He not only took us through the city but also provided us insights into the history and culture of Sri Lanka while taking us to genuine and pocket friendly places serving good food and products. Highly recommended!"

"Mr Wickramsinghe was like a young brother in looking after my itinerary. He was called in an emergency when the earlier car broke down near the Tooth temple. He took over the travel to Sigiriya and dropped me back to airport the next evening. Good person certainly"

**Julia Congreve Liff**

★★★★★

"My boyfriend and I traveled across Sri Lanka with Indika as our driver and guide, starting in Colombo and visiting Kandy, Nuwara Eliya, Ella, and ending in Hiriketiya. It was such a pleasure to have Indika with us throughout the journey! He shared fascinating insights into the history and culture of the places we visited and patiently answered all our questions. Indika also took us to some incredible spots along the way. Even though we spent many hours driving, he planned well-timed stops that made the trip feel smooth and enjoyable. Indika is an excellent driver—we always felt safe on the roads. He was punctual, organized, and had fantastic suggestions for activities and places to visit. His attention to detail and great time management made the trip stress-free and seamless. Thank you, Indika! We will definitely reach out to you when we return to Sri Lanka. Best regards, Julia and Lukas"
